Personal Security

How safe are you? Higher net worth can make you a target. Chubb can help gauge your susceptibility to risk and provide resources to help keep you and your family members more secure.

With a network of security consultants, Chubb can help you take preventive measures to protect you and your family from risks such as identity theft, kidnapping, home invasion, and more. Our combination of complimentary and fee-based personal security services can provide added peace of mind and can be customized to address your individual situation.

Personalized security consultations to help minimize your personal safety risks

An in-depth lifestyle vulnerability diagnostic to evaluate your personal risk factors

Consultations using advanced technology to help identify potential hazards in your home

Advice on how to help keep your family safe through our family protection website

Stay Secure

Travel Security

One week in Europe, the next at a tropical getaway. Extensive or exotic travel makes you more vulnerable to accidents, illnesses and other emergencies.

Chubb can help you stay protected during all your travel whether home or abroad. You and your family members have access to optional emergency medical transportation coverage, excess coverage for healthcare expenses and emergency travel assistance services. Plus, get connected to exclusive travel resources to help ensure you are prepared.

Optional worldwide insurance coverage and travel assistance

Access to a robust travel security website

Assistance with lost travel documents

Stay in Charge **Staff Management**

Employing personal staff exposes you to risks, and false allegations can result in reputational damage and potentially sizeable defense costs. The key is to address these risks before they become real.

We can help you stay in charge of your personal staff – while helping to protect your reputation and your household – with a range of comprehensive services.

- Employment best practices through complimentary phone consultations
- Customizable handbook to help with hiring and managing domestic employees
- Discounts on fee based background investigations and credit checks

Stay Collected **Collections Management**

Possessions may not be what matter most, but when you've invested in a lucrative collection, you want to ensure it is protected. Chubb's specialists in art collections, antiques, and historic homes understand the current values, and the emotional significance, of your treasured items.

These services can help you better understand how to keep your fine art collections in prime condition, and also stay informed of their current market value.

- Collection management software to help you manage, curate and document your special pieces
- Custom advice to help you properly display, store and preserve your collection
- A network of expert service providers in specialties such as conservation, restoration, shipping, appraisal and more

We designed *Signature Suite* exclusively for customers with complex asset portfolios. With these products and services, you can get maximum peace of mind, the attention of specialized professionals, and tailored coverage to suit your lifestyle.

This value derives from the Chubb Advantage: our tradition of broad coverage, integrity, respected practices, responsive claims handling, superior service, and consistently solid financial ratings.
